Next meeting to be held on Thursday May 10th, 2018

at the Brockville Country Club

Presidents Message

May is soon arriving and our season will be wrapping up.

We have yet to receive any volunteers for the 2018-2019 Executive Team replacements.

The question will be "How can we keep this terrific social evening of friends going?"

Nominations for our Annual Achievement Award are due.

Come meet our May Guest Speaker Winhara Burrow: Soul Venture

Growing up in North Bay, Ontario, Winhara never could have imagined that this was the path she would travel. Little did she know that each stop along the way was actually shaping her future and preparing her for what was ahead. A natural born healer, Winhara is passionate about energetic healing, finding one's authentic self and moving through life with love and grace, abundance and joy. Whether helping clients release energy or allowing emotions rise to the top in a safe supported environment, Winhara uses Reiki, meditation and journal keeping to assist a client's journey. Other healing workshops offered through her business Soul Venture, incorporate art and dance. Her journey as a healer and teacher began when she started her own healing. It was only when Winhara embraced her authentic self and started to listen to her intuition she was able to see where the Universe was guiding her.

“I am here to hold sacred space for those who are ready to heal themselves. Providing a safe, non-judgemental space as you allow the healing, and helping you build your own tool box for an authentic life is my soul purpose. It is only when we love ourselves unconditionally, that we can find our inner peace.”

Winhara is a Reiki Master, Artist, and Belly Dance Goddess Instructor. Winhara lives in Brockville with her husband Brant and their little dog, Maggie.
